

Challenge 1000

Empowering children every day

We are looking for people who are inspired by the work we do and believe they can help Dot Com through their own fundraising efforts.

Your challenge, should you choose to accept it, is to raise £1,000 for the Dot Com Children's Foundation by December 31st 2016. Those people who are successful in raising the £1,000 for us will be invited to a specially organised party at a prestigious venue.
